

NEWS BRIEFS

A NEW pay-as-you-drive car insurance has just been launched in the UK, called **Coverbox**. It uses GPS technology to monitor distance covered and time of day or night a vehicle is in use, and charges according to mileage covered in off-peak (daytime), peak (rush-hour) or super-peak (11pm-5am) periods. And there is a plus – Coverbox can track and locate a car if it is stolen. Log on to www.coverbox.co.uk to learn more or get a selection of quotes.
