

Coverbox Cashback Terms & Conditions

- Cashback is only available to new Coverbox customers.
- To ensure the policy is tracked and you receive your cashback, please make sure you have third party cookie tracking enabled and you allow the confirmation page to fully load before closing the window.
- Cashback will not be paid if a saved quote is used for example a quote generated through a price comparison site. You must click the Coverbox link, generate a new quote and make your purchase immediately.
- Cashback will only be paid if you have a Coverbox black box fitted to your car.
- Your policy must be live for at least 90 days in order to qualify for cashback.
- Cashback will only be paid if the insurance premium is paid in full or monthly payments are kept up to date, and any other payments due have been made.
- Cashback can only be paid to you using the card details supplied at purchase.
- Cashback is only available online.
- Cashback will not be paid in conjunction with any other offer, voucher or discount code unless listed on this page, or with any other discounts such as staff or student discounts.
- Cashback may not be paid on VAT, delivery, card payment fees, taxes or any other additional charges.
